The Yearbook Class of Oakland Technical High

School Presents

1975 TALISMAN

351 Broadway

Oakland, California 94611

The 1974-75 yearbook staff would like to share with you some of the things that represent Oakland Technical High School. We have decided to deal with the "EMOTIONS" that accompany our fantastic student body. Some of the emotions we have chosen to look into are enthusiasm, energy, pride, happiness, concern, anticipation, determination, frustration, fear and love.

Emotions are something that everyone experiences, and as we look around our campus, we can see all the emotions that life can bring.

Tech's EMOT

100MS

in 1975

The happiness of winning the big game The pride that seniors exhibit at graduation. . . . The frustration of failing an important test . . . or the love that two people can share.

As young adults, we have all matured a great deal and I'm sure that emotions have played a very important role. No matter what frame of mind you're in when you flip through these pages, we hope you will think about how emotions affect you.

Kevin Tucker,
Editor-in-Chief

ENTHUSIASM

CHEER LEADERS

Enthusiasm and energy exemplify the spirit and pride of being a Tech Cheerleader, as their eternal optimism motivates the athletes to victory.

SENIORS

Throughout the years we have struggled and strived for the goal of becoming seniors. It has taken much courage, will-power and sheer determination for our class to finally reach this unbelievable height. We take pride in ourselves in knowing we've come a long way!!!!

Above; Paulette Owens, Spergon Hunt, and Lynn Grayson display their pride and integrity in their graduation caps and gowns. Lower left; Seniors get information from counselor Mrs. Williams. Lower right; Some hardworking Yearbook-Staff students talk over important matters.

Above; Seniors from steering committee try earnestly to sell class badges and pom-poms, while Paulette poses for camera. Right; Mr. Jackson and seniors display the fact that a little happiness now and then never hurts.

Below; Senior steering Committee displays their happiness of being the Class Organizers. Bottom row, left to right; Antoinette Anthony, Donna Belvin, Patricia King, Debra Lloyd and Donna Simmons.

SENIORS

As seniors we have developed in many ways. Not only physically but mentally as well. There are many experiences one must endure while growing up, but the ones we retain the most vivid pictures of are the times of happiness we all share. That's what it's all about!!!

HAPPINESS

CONCERN

STAFF

Concern is an emotion that none of us lacks, for we all are capable of expressing an interest in an individual or in an activity. With the Staff and Associated Student body of Oakland Tech they display their interest by assisting students, teachers, and counselors when problems arise.

ANTICIPATION

JUNIORS

The juniors are doing it right this year. With great anticipation, they are preparing for their senior year. They have worked hard in the time they've been in Tech, trying to make the class of '76 one of the best Tech has ever had. Striving for the top, they'll definitely become the future rulers of Tech.

JUNIORS

The juniors here at Tech are waiting for their chance to prove that they too are capable of becoming the best class Tech has ever seen. Anticipation is the one word that best describes the "class of 76" and we wish them well.

SURPRISE

CLASSROOM

Surprise-

Surprise is the emotion of startling and exciting moments. Students here are not only surprised that their picture is being taken by the camera, but also the fact that they are enjoying the things in which they are doing in the various classrooms pictured. Surprises can appear as suddenly as they disappear.

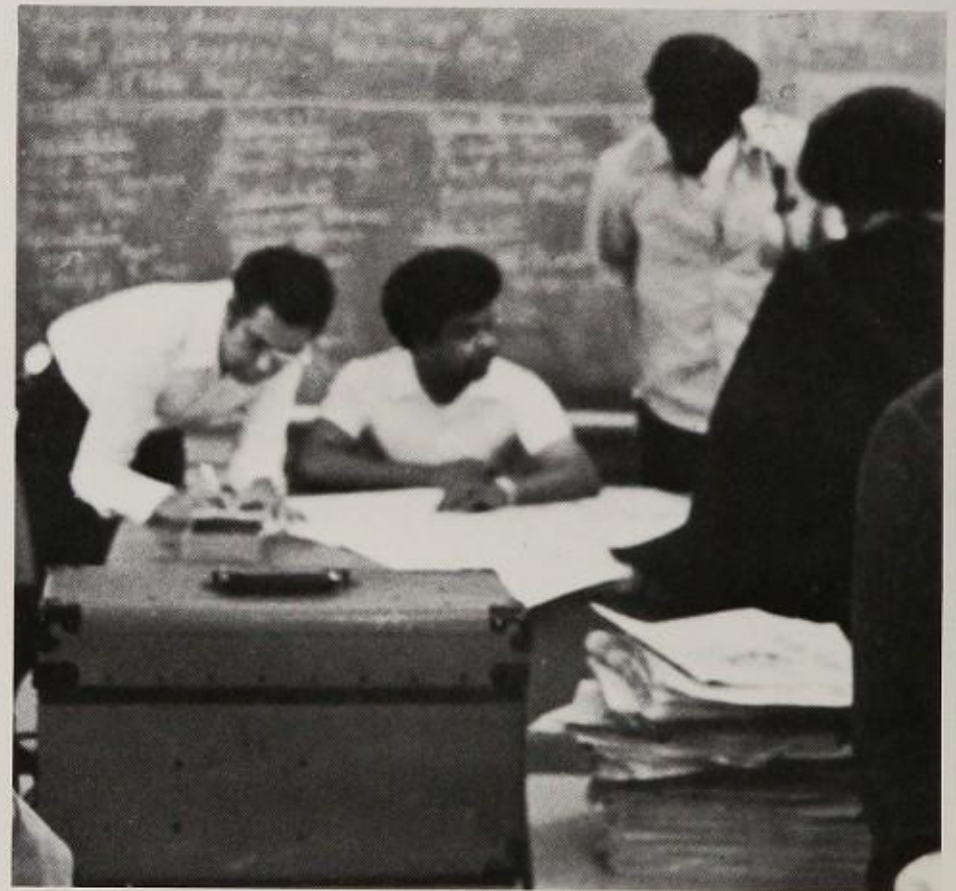

The beginning of the new school year often brings new surprises. There is a hidden surprise within everyone. But the greatest surprise of all is being surprised.

Mr. Hurst's yearbook class gets things moving as the photographer gives some helpful hints on picture taking.

SPORTS

The athletes of Oakland Technical High School are determined to produce at 100 percent efficiency. Sports has given Tech students a winning attitude in everything the school competes in. Even when the school is competing among itself, there is inspired determination in every effort. Tech has proved through determination and self-drive that if you really want to do something or reach for a goal, you can gain it, as long as you put enough effort into it, even in the simplest matters.

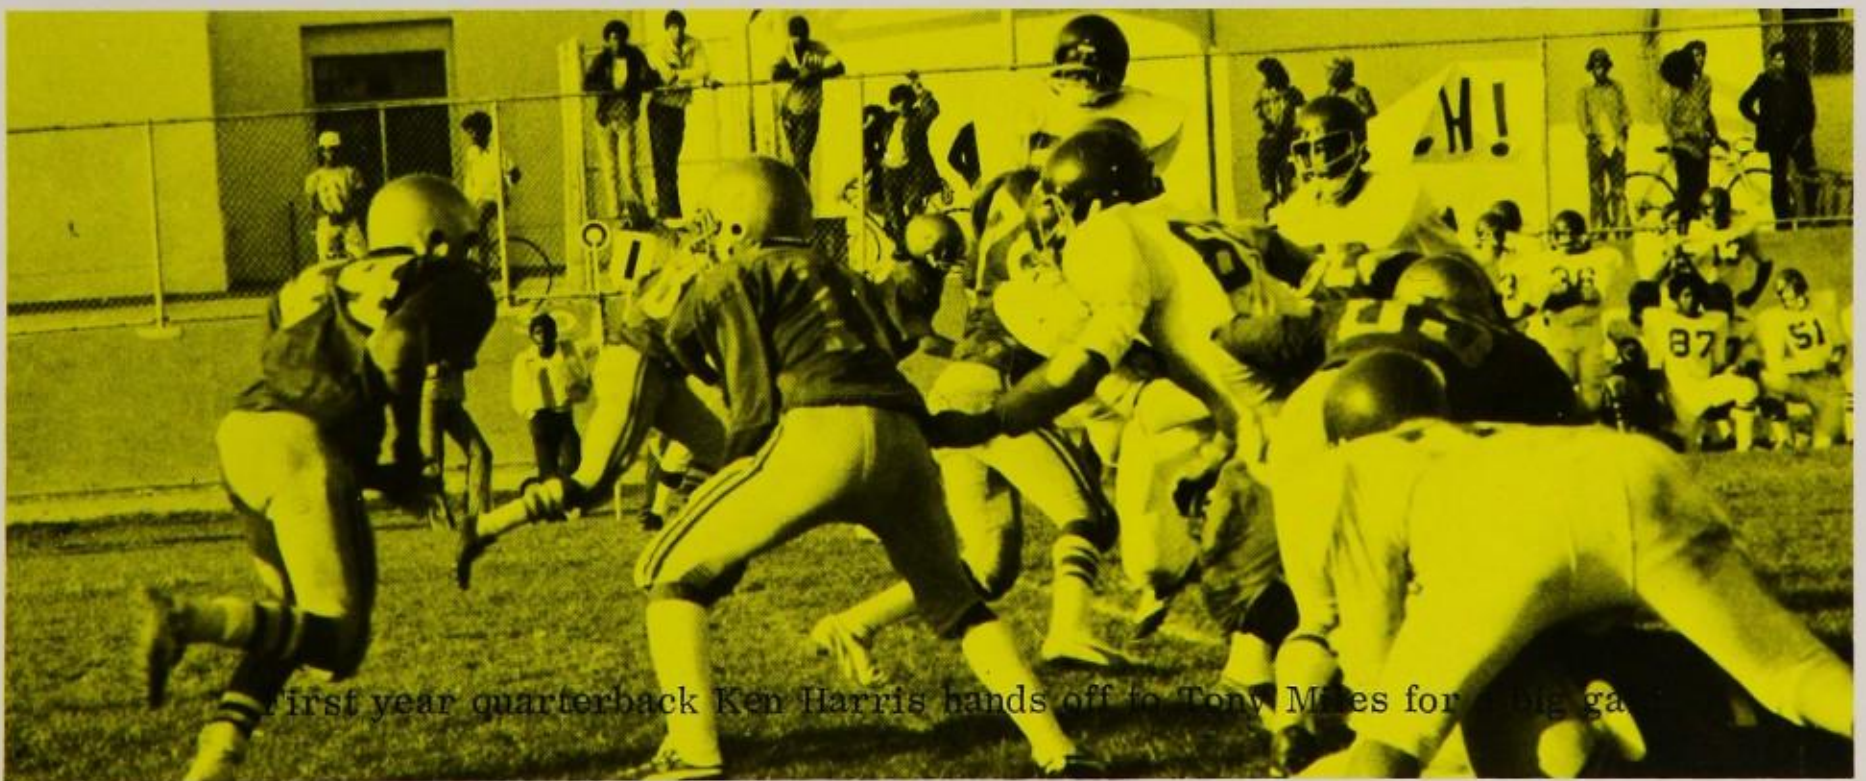

Tech's awesome offense lines up for the big play.

The modern dance class shows their athletic ability too.

DETERMINATION

FRUSTRATION

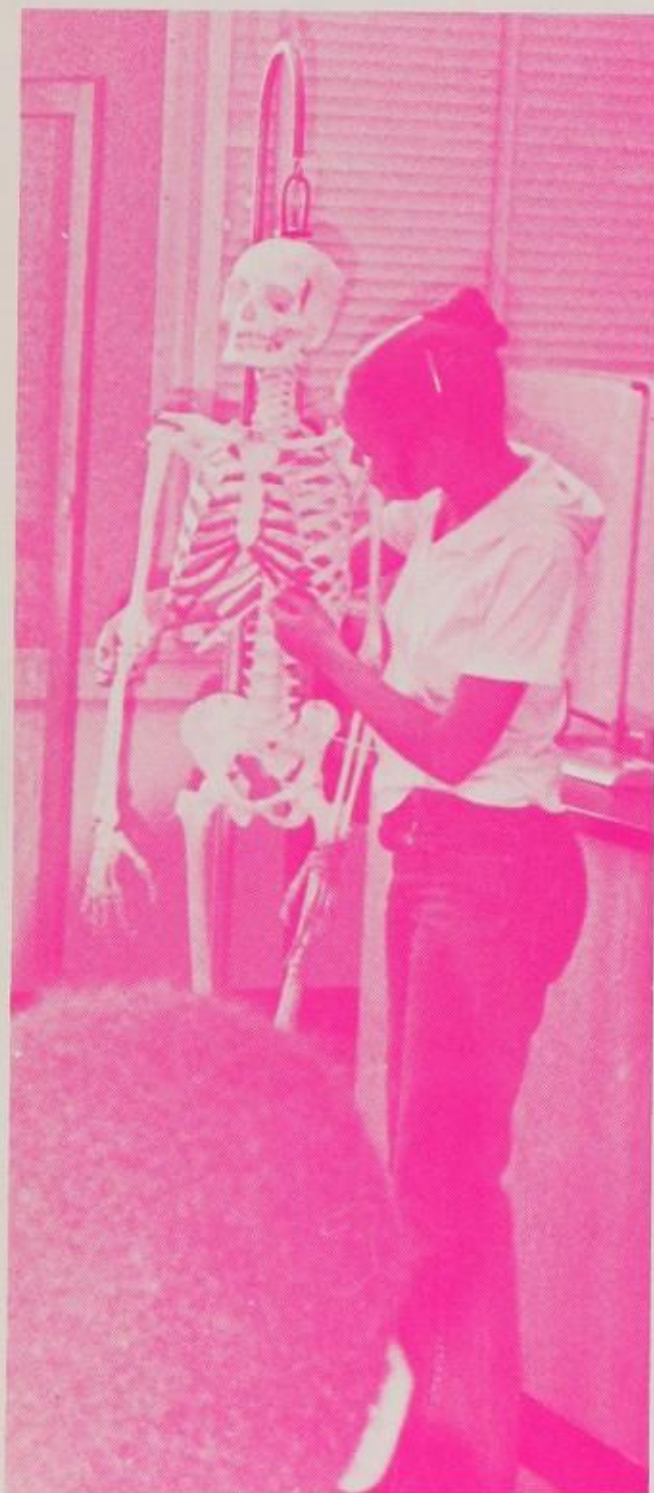

SOPHOMORES

Frustration is something that has been experienced by all of us at one time or another. The important thing to remember is to always oppose frustration with hope and optimism. The sophomores at Tech experience frustration as a constant occurrence.

Frustration to them is the failure of a locker to open, the puzzling test of high school, but the worst frustration of all is to let the complexity of high school push you in a corner where you THINK you have to avoid it by cutting classes!

A group of sophomores take time out from a busy day to "get to know" each other.

"I wonder if he was my type?"

Mrs. Neal finds time to show a few young ladies the way to their next class.

I have a fear in being late, but my shoe just won't cooperate.

Sometimes a smile can hide the fear inside.

Fear on the first day of school. Experienced as the bell rings and she tries to open her locker will not bud.

Sophomore students help each other pin together a pattern.

SOPHOMORES

Fear is something a student accumulates over the summer. When school starts the presence of many unfamiliar faces causes the sophomore to be lost in the shuffle. As the days get long and periods do not end so quickly, the sophomore worries about what's going to happen the next day.

FEAR

LOVE♥♥LOVE♥♥LOVE♥♥

LoveWhat is it?

Love is the basic emotion of all generations. It can bring joy, sorrow, and sadness.

Love is being able to share your joys and sorrows with someone special . . .

Love is talking, touching, and caring for one another. . .

Love is a mellow understanding between two people . . .

Love is you and me . . .

Emotions..... this is what we, the 1975 Talisman staff, have illustrated over the introductory section of our book. We have explored and developed many of the emotions that students exhibit. From the proud and joyful expressions of success to the sometimes frustrated and unexpected looks of failure.

Emotions play an important part in everyone's life; and we hope all of your emotions express nothing but love and happiness.

Administration

Administration is a major aspect of this and any other high school. For it's the administration that will set the standards that society will expect each graduate to have. Standards of: maturity, respect, and scholastic achievement. It is sometimes difficult and frustrating to inspire some students to measure up to the expected standards. But the question is not one of the administration rigidly enforcing the rules, but each student's willingness to follow the rules.

Counselors

Counselors play a major role in the academic life of a student. A counselor is assigned to each student in the hope that each individual student will be able to choose the courses that will benefit him the most. The job of the counselor is to give advice and counsel each student on his individual needs. The importance of counselors is not to be underrated, as their helpful advice, and tips on choosing the right classes are beneficial to any concerned and college-bound student.

English

English is of such importance in America, that anyone without adept use of it, will have a difficult time. Using correct English at the correct time can mean: a good job, a bigger paycheck, and sometimes peace of mind. English is often referred to as a boring and dull subject. Yet without it, the chances for a meaningful job are almost non-existent. Regardless of your ambition in life, English will be a constant participant.

Foreign Language

Language. Communiation. Misunderstanding. All three are involved in our lives at one time or another. Their importance is significant, for with language there is communication, and without adequate explaining there is misunderstanding. The foreign language and bi-lingual departments at Tech attempt to strengthen language and communication by eliminating misunderstanding; for the understanding of language and people is not restricted to members of your own race, but members of other races also.

Social Studies courses are one of the most necessary and basic classes needed to be taught in schools today. Necessary, because they teach students how to deal with people and their stereotyped minds on a one-to-one basis. Knowing the complexity and mistrust of our society today, it is even more essential for us to know and understand each other.

Music

Music is a form of verbal and non-verbal self expression. It enables the audience to relate to your innermost feelings, transcending a message to any culture. Music consists of a lot of organization and a great deal of practice. That's what it takes to become a master. We see that with the untarnished determination of Tech's Music Dept. They're well on their way.

Dedication Spells Bulldog Football

This year's varsity football team lived by the word "DEDICATION." Although they had a winless season they worked hard throughout the year. Coach Wayne Brooks and his assistants built a team that exhibited outstanding defense but the offense could only manage 30 points over the entire season. Football takes a team effort and a lot of hard work. Tech had some truly fine athletes that tried at all times to bring pride and dignity back to Tech. With all the talent that the Bulldogs possessed it's hard to understand why they couldn't put it all together. Their most frustrating loss came to the No. 1 Skyline Titans 40-0. Even though most people seemed to criticize, the 1974 Bulldogs should be commended for their true "DEDICATION."

Emotional Changes

Emotional changes played a very important role in the development of this year's varsity team. The loss of All-City receiver Arthur Gomez was a major setback as it had an emotional effect on each member. The emotional aspect of football is important because it is more than just a physical sport.

Junior Varsity

Due to a very inexperienced team, Tech was not able to win a game, but still played with determination and spirit. There were a few individual bright spots in the season, especially on defense. Tech's future looks especially good with Bullpup stars going to Varsity next year. Tech should become acquainted with a winning season, because of outstanding coaching. Tech teams have never had bad attitudes.

There have always been support and response from the players to coaches. After all it's not whether you win or lose, it's how you play the game.

1974-1975 Soccer Team Goes Undefeated During Pre-Season Action

With only one pre-season game, Tech's soccer team really didn't have time to prepare itself for the always tough O.A.L. competition. But with such stars returning as, Captain Felix Ramos, goalie Eddie Delgado, Javier Patino, Aniceto Garcia, and Nolberto Martinez there is no doubt that the Bulldogs will have another winning season.

Bulldogs Finish Second In O.A.L. Competition

Bulldog defenders swam around Skyline player

This year's Soccer Team had an excellent win-loss record, but frustration was the word that best described the team after they finished the season second in the O.A.L. behind Skyline.

Skyline's two victories over the Bulldogs, 2-0 and 2-1 were not that convincing, as the Bulldogs put up a strong fight in each game. The Bulldogs failure to beat the Titans could be attributed to a lack of coaching. They played much of their 74-75 season without a coach, having to rely on their own instincts as much as possible.

The Bulldogs dominated the rest of the league, and ended the season with a record of 7 wins, 2 losses, and no ties.

PRE-SEASON SCORES

The defending TOC champs started off the season where they left off last year as they won their first 7 games including the championship of the Golden State Classic. The Bulldogs were invited to the San Dimas Tournament of Champions where they suffered their first loss of the season 58-48 to Verbum Dei High School of Los Angeles for the championship. The mighty Bulldogs had a let down as they came home and lost to their annual nemesis Berkeley High 75-64. Doc Shavers and Wolfe Perry truly earned their All-American status as they were named to both the Golden State Classic and the San Dimas all-tournament teams. Ricky Hill also turned in a super pre-season performance with his outside shooting. The Bulldogs tuned up for OAL action with a 108-43 victory over McAteer.

Bulldogs make 2nd trip to TOC

For the second consecutive year, the Oakland Technical Bulldogs made a shambles of the OAL. The mighty Bulldogs rolled up an 8-2 record with one of their losses being a 75-74 heartbreaker to Castlemont. After losing to the Knights, Tech won seven straight games including a 73-65 victory over Skyline which clinched the right for them to visit the T.O.C.

This year's squad was led by probably the No. 1 high school player in the eastbay, Northern "Doc" Shavers who led the team in scoring as well as rebounding. Senior guard Wolfe Perry was the backcourt ace and led the team in assists. "The Mad Bomber" Ricky Hill also played a very important role during the OAL with his consistent outside shooting.

Northern Shavers shows plenty of strength as he snatches rebound.

Bulldogs Capture 3rd Place in 29th Annual TOC

The 29th Annual Tournament of Champions was somewhat disappointing for the mighty Bulldogs as the defending TOC champs had to settle for 3rd place.

The first night the Bulldogs ran up against the Hayward Farmers, where they shook off the sharp shooting of Charley Ford and a sluggish start to romp to an 87-57 win. "Doc" Shavers led the Bulldogs scoring attack with 28 points while Ricky Hill had 22 and Wolfe Perry poured in 16.

The second night Tech had the misfortune of facing the Thundering Herd from Elk Grove with the giant-like Bill Cartwright. The Bulldogs were obviously intimidated by the seven-footer as their shots wouldn't fall in the early part of the game. In the second half, Wolfe Perry found the range as the senior guard kept the Bulldogs within striking distance. Mr. Cartwright also found the range as he buried four baskets in succession to put the Bulldogs away. The highly publicized match-up between Cartwright and "Doc" was non-existent as Shavers could manage just 4 of 24 shots while the Sacramento prepster bagged 29 markers. The final score was 60-52.

The final night, was a matter of pride for the Bulldogs as they faced the Redwood Giants. The game was close most of the way with Tech pulling away at the end. The Bulldogs finished the season with a 73-67 victory.

Both "Doc" Shavers and Ricky Hill made up for Friday nights performance with 25 and 20 points respectively.

As expected Northern Shavers and Wolfe Perry were named to the all-TOC team for the second straight year.

Tech also picked up their second straight spirit award which was the biggest thrill of the tournament.

Keith Carter on the jump.

This year Tech's Jr. Varsity had a won-loss record equal to that of the Varsity team. The team was coached by Jessie Guidry, who came from the Oakland Neighborhood Basketball League.

The Bullpups took first place in the J.V. O.A.L. with their excellent record of 8 wins and 2 losses, and with such outstanding players as; Keith Carter, Rodney Lanesse, Lewis Conway, Steven and Alton Slaughter, Ricky Henderson, Jeff Jones, and Fred Atkins, they are sure to add to next year's Varsity team.

LETTERMEN SPARK EARLY PRE-SEASON VICTORIES

This year's Tech Wrestling Team got off to a very good start winning 4 pre-season matches and losing 5, mostly because of inexperience.

Returning Captain Jimmie Cox, and MVP Phillip Sweet compiled an out-standing pre-season record. Cox led the way with a 31-5-2 record while Phil Sweet followed with a 28-4-1 slate.

Glenn Trass endures a sleeper hold.

Ricky Murray converges on his man.

Jimmie Cox resists his opponents grasp.

Phil Sweet posters his man with a neck grip.

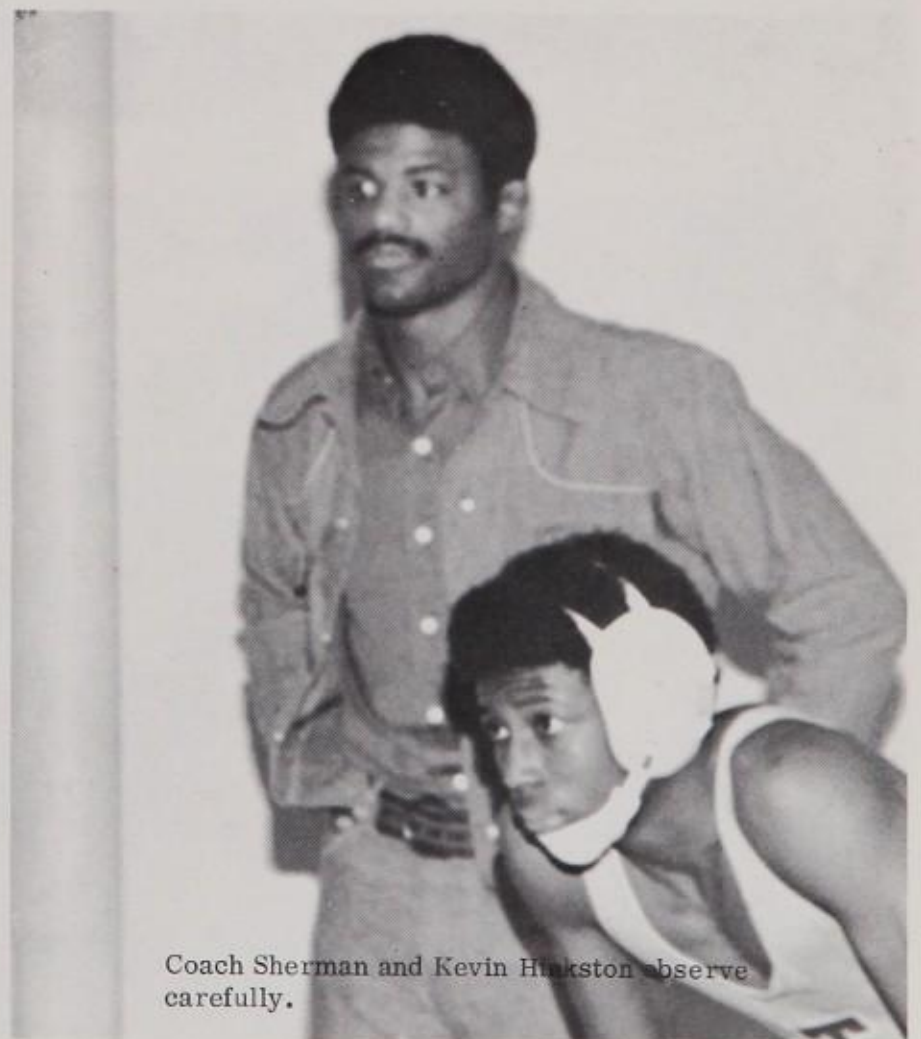

A Tech wrestler tumbles an opponent.

O.A.L. FINALS

This year Tech Wrestling team suffered a rough and frustrating season, going 0 and 5 into the O.A.L. Finals.

Despite the disappointing season the grapplers produced eight wrestlers who made an appearance in the finals, Darrell Segrest, Jimmie Cox, Phil Sweet, Grant Tribe, Joseph Grijarva, Louis Cherry, Glenn Trass, and Howard Lee, all of which were outstanding in O.A.L. competition.

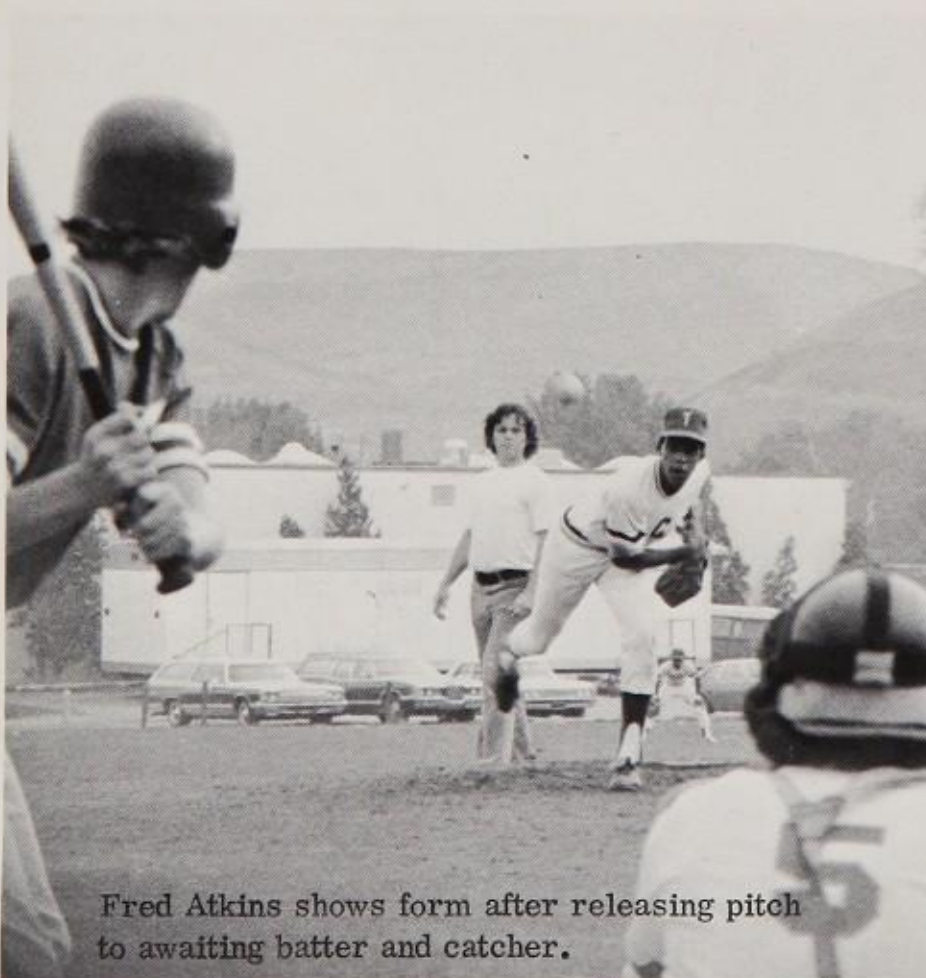

Coach Sherman and Kevin Hinkston observe carefully.

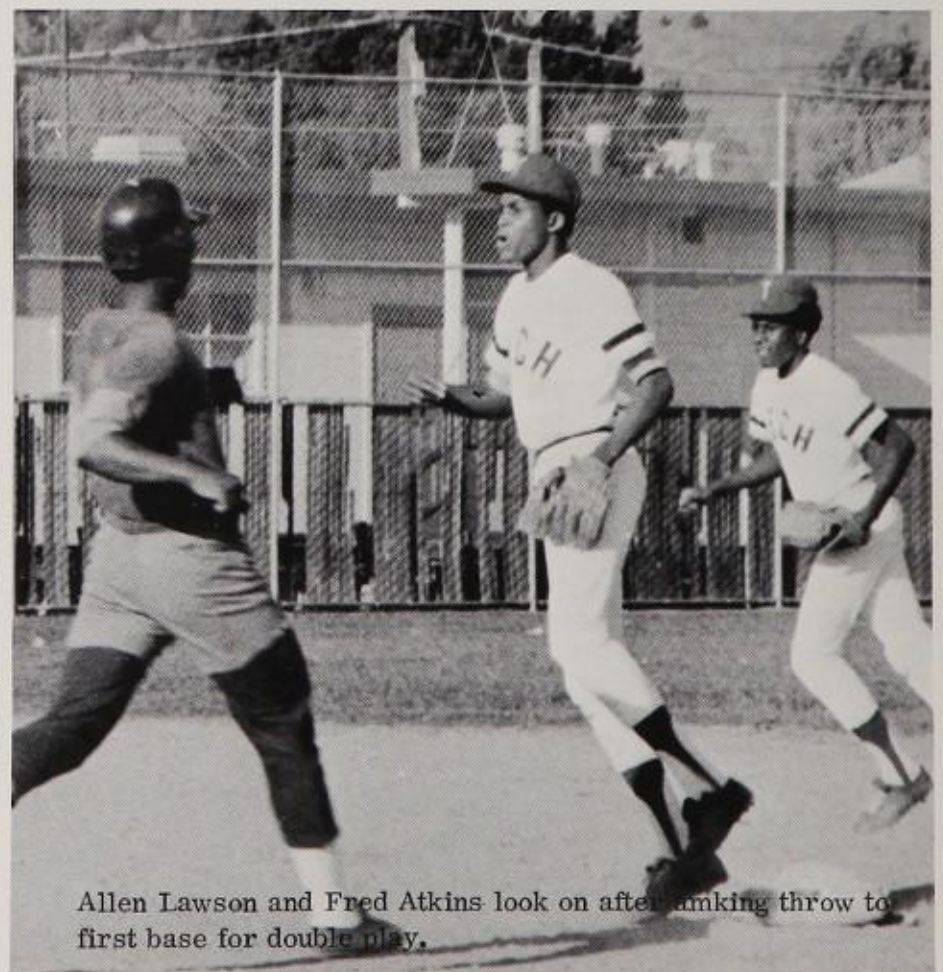

VARSITY BASEBALL '75

Fred Atkins shows form after releasing pitch to awaiting batter and catcher.

Allen Lawson and Fred Atkins look on after banking throw to first base for double play.

BULLDOGS LOOKING FORWARD TO VERY PRODUCTIVE SEASON

With new uniforms, players, and attitudes, the Bulldogs are looking forward to a new and winning season. Coach Bob Cryer has returned from last year; Chet Livingston, Fred Atkins, Darwin Palmer, Ricky Henderson, and Rene Pina. Along with some new and very capable players, the Bulldogs should have no trouble in gaining a winning seasonal record, and placing high in the O.A.L.

Tech man slides safely into third base.

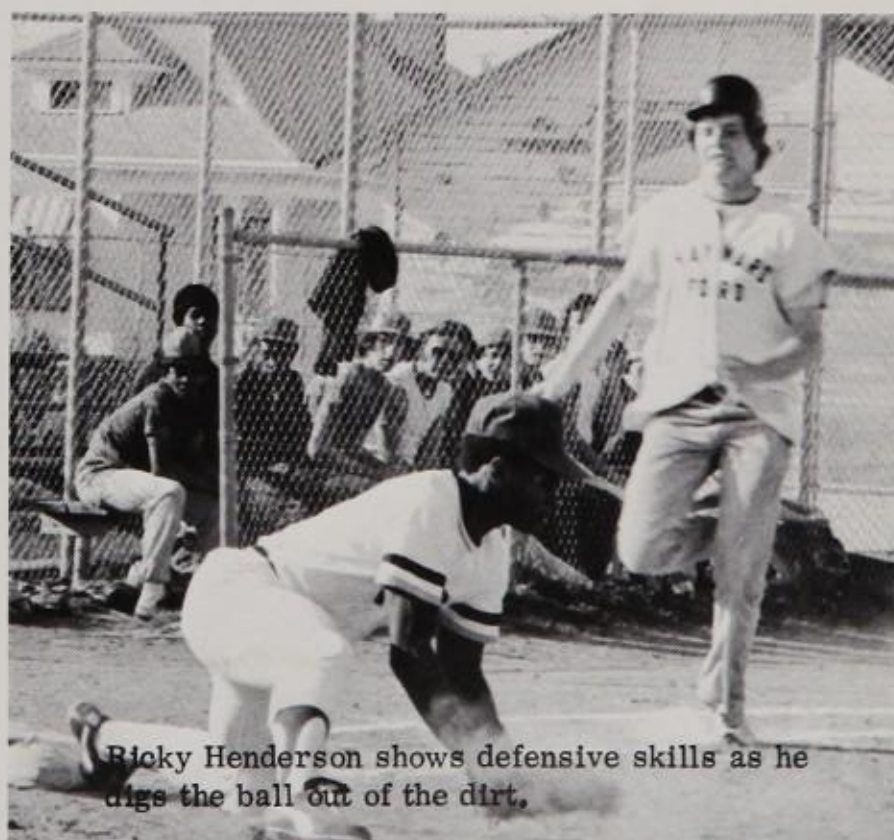

Ocie Washington rifles a single to left field.

Ricky Henderson displays his unique batting style.

Allen Lawson makes put-out at second base.

Ricky Henderson shows defensive skills as he digs the ball out of the dirt.

TRACK - 1975

The '75" Oakland Tech Bulldog Track Team is a mixture of various talents, such as veterans Anthony Dixon, Jacob Candelaria, and John Talton head up the team. Along with transferred Castlemont students Bernard Cuffy and Terrance Johnson, and also Fremont's Edward Sanders. This mixture of extreme talent should prove to create one of the best track teams that Tech has ever had.

Bobby works on form and speed.

Joe tries to catch up with his running mate.

Back Row (L to R): Mike Willams, Bobby Fong, Terry Knox, Rodney Taylor, Coach Jefferson. Front Row (L to R): Jacob Candelaria, John Talton, Bernard Cuffy, Terrance Johnson.

Volleyball

Tech's volleyball team was very successful this year as they placed 2nd in Oakland Tech's Invitational Tournament. Mrs. E, the volleyball coach, was very pleased at the attitude and desire of her players.

Brenda Barfield digs the ball.

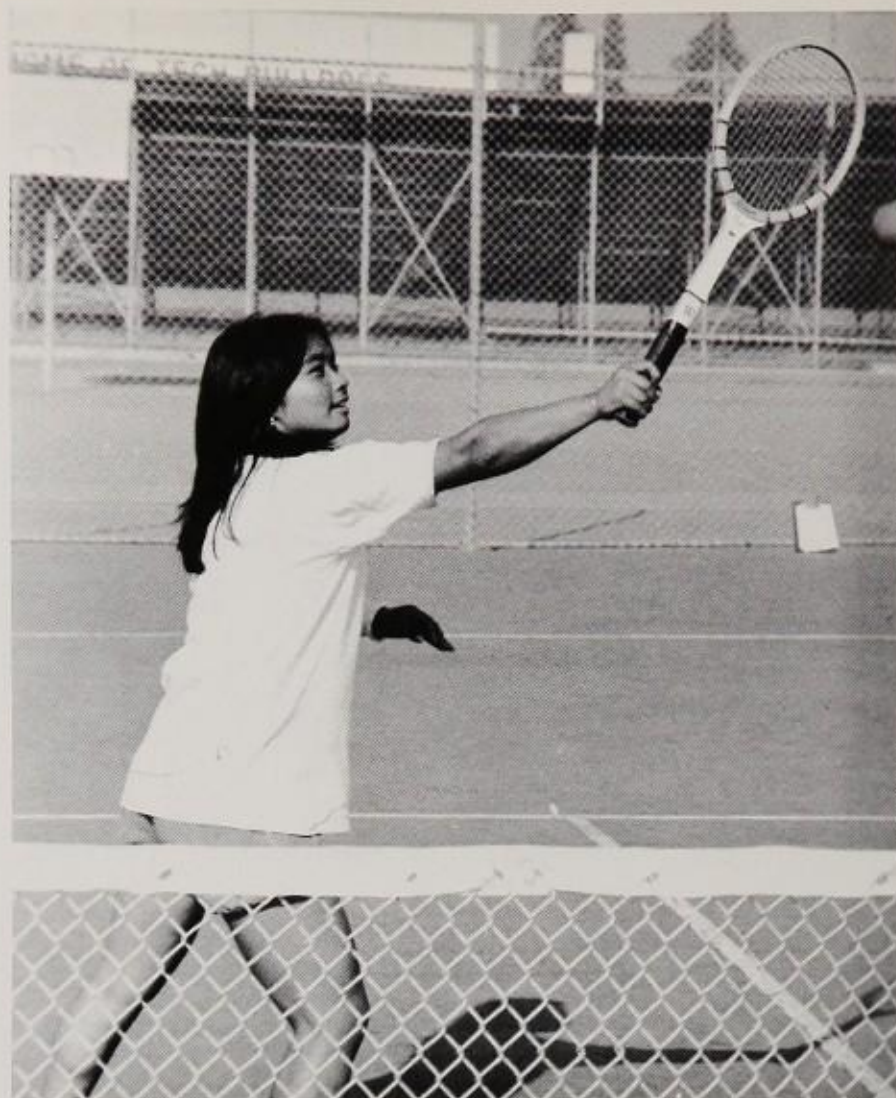

Yolanda goes up for the ball.

Tennis Team

The girls Tennis team was almost undefeated this year. They were small in number but only the strong survive. They finished out the season with a second place.

Emery Session goes for a shot.

Mimi Chin returns a serve.

(L to R) Back Row; Ms. Strong, Davina Kawaihau, Annette Eskridge, Willantha Spagner, Yolanda Williams, Sharon Dyer, Marva Upshaw, Emery Session.
Front Row; Joey Mc Gowan, Gloria Browne, Mimi Chin, Eileen Tow

"I'll get it this time."

Viola Johnson, Roxanna Fragassi, and Susan Jamerson compete in Backstroke.

Swim Team

Swimming is a very competitive sport, therefore to succeed in this sport, one must be willing to put forth much effort. Here at Tech, these young women are trying to prove that they can accomplish the swimming goals that they feel they must reach in order to become outstanding athletes. And they appear to be doing a good job of it.

"On Your Mark!"

"Ah, Refreshing....."

Gymnastics

Gymnastics is the sport which consists of aerobics, ballet, tumbling, and other dimensions. Here at Tech, hours of persistent practicing make this gymnastic team such a great performing group. With much understanding and help from their instructor Ms. Swall, the gymnastic team does more than just get by.

Senior Vanessa Williams performs a workout on the uneven bars.

Antoinette Stubbs performs on the balance beam.

A graceful floor exercise is done by Teresa Porep.

First Row; (L to R) Kim Lewis, Sylvia Morelos, Teresa Porep, Second Row; Nancy Yokomizo, Linda Low, Darlene Davis, Aurora Duron, Antoinette Stubbs. SENIOR CLASS OFFICERS 1975

Unlike the average student attending Tech, the officers have the added responsibilities of working together to make their class number one. Our officers attempted to unify the class of 1975 through their efforts in organizing a Disneyland trip, a Senior Ball, a Senior picnic, and numerous fund raising activities for the 1974-75 school year.

Seniors earn money during noontime food sale.

SENIOR CLASS SPONSORS 1975

Frustration, tension, and satisfaction are just a few of the feelings that the class of '75 sponsors experienced while working with the class. These teachers who have taken the time to work with officers and the student body should be commended for their dedication and efforts put forth to make the Class of 1975 one of the baddest classes at Tech.

ROTC

Oakland Tech has one of the finest units in Oakland. For years Tech's Rifle Team has come in first or second place in the city and is still going strong this year. As a member of ROTC you learn leadership, courtesy, and at Oakland Tech, Pride!

FUTURE NURSES

The Future Nurses Club is an organization where students have an opportunity to obtain knowledge and valuable information about nursing. These young women would like to become useful and helpful citizens in the community through nursing. The idea of helping the disadvantaged puts pride into these students' hearts. After high school, some may choose to go into nursing, and others just feel satisfied that they obtained as much knowledge to satisfy their curiosities.

First Row(L to R): Linda White, Linda Terrell, Linda Gordan, Laura Riggins, Antoinette Stubbs. Second Row; L to R; Yolonda Coleman, Andrea St. Jules, Shirley Johnson, Denise Hill, Yvonne O'Reily, Rowena Ward. Back Row L to R; Pat Churchill, Marguerite Wise, D'Bert Harris.

HEALTH OCCUPATION

Health Occupation is an organization where students have an opportunity to explore and research into the different types of medical professions. They also acquire some techniques of practicing health care. The information they gather now, may possibly benefit them in the career they choose in the future.

First Row (L to R): Antoinette Stubbs, Lisa Jackson, Yolonda Coleman, Robin Long, Pat Brimmer, Andrea St. Jules, Pat Bowie, Valerie Jones, Jackie Moore, Shirley Johnson, Pam Jordan, Janice Burrell. Second Row (L to R): Linda White, Melinda McClain, Rennee Simpson, Pam Nichols, Detra McGowan, Hortense Ringgold, Linda Gordan, Sherri Johnson, Rosemary Hernandez, Kerry Savage. Back Row (L to R): Laura Riggins, Diane Walker, Regina Sykes, Sheila Turner, Sharon Pearson, Sharon Pearson, Sharon Clayborn, Ada Pearson, Cassandra Wilson, Marguerite Wise, Cheryl Cox, Kerry Savage, Elizabeth Speed, Nicholas Castro.

GETAWAY CLUB

The Getaway Club is an organization where students take trips and just have fun. This club takes trips, such as ice-skating, canoeing, swimming, horseback riding, and other places. The Getaway is planning a big trip and rafting will be the activity. Mr. Goldman is the club's sponsor, and he has great plans for the club's future. So, an overall impression one might get from the club is, "Enjoy life, Live it up, and Getaway!".

Sitting (L to R): Regina Sykes, Hortense Ringgold, Diane Walker, Sharon Clayborn. Standing L to R; Marguerite Wise, Rennee Simpson, Robin Long, Antoinette Stubbs, Pat Bowie, Detra McGowan.

BUSINESS CLUB

The Business Club is an organization where students are interested in going into business as a career. They have an opportunity to research into the different areas offered. Some are interested in Data Processing, Secretarial work, Accounting and other areas. This club helps these young men and women, gather information and learn skills that can provide them with jobs, and knowledge that they can put into use in daily living.

Sitting L to R; Linda Shipp, Barbara Monroe. First Row L to R; Kerry Savage, Danita Thompson, Belinda Shipp, Ada Pearson, Ms. Green. Back Row L to R; James O'neal, Andre Sheppard, Dennis Clayborn, David McClure, Gregory Bell.

STAGECRAFT

Stagecrafts is not so much a club as it is an organization or class. Stagecraft is run by Mr. Whayne, the drama instructor. The stagecraft personnel are the people that handle the organization of Tech's assemblies. They work the curtains, lighting, set up platforms, props, and build sets for the assemblies. When the class isn't preparing for an assembly they study such theater arts as lighting, set construction, and painting.

Front row, left to right: Donnell Robinson, James Cockerham, Burchell Stewart, Eaily Cryer, Calvin Latimore - row two: Cary Mayfield, Rodney Sheffield, James O'Neal, Mario Bell, Grady Tatum, Mickey Carter

ASIAN

The Asian Coalition's main purpose is to expose Asian culture to the rest of the student body. They do this through various school activities, such as food sales, and cultural dances during International Week. The Asian Coalition hopes that through this they can form better relations between Asians and the rest of the students at Tech.

TRAILS

The Trails Club is sponsored by Mrs. M. Pyeatt. It deals with Native American culture. The club meets every Thursday to plan such activities as food sales, trips, horse-back rides, and Native American dance lessons. The Trails Club is open to any member of Tech's student body, not just Native Americans. They bring Native American culture to other schools as well as Tech. The Trails Club works with the Native American Drop In Center, a center to discourage dropouts among students. The club usually wraps up the school term with an award to the outstanding Trails' member.

(Left to right): first row: M. Pyeatt, Susan Jamerson, Lupe Uribe, Nancy Grijalva, Maria Castro, Sharlene Thrower, Robert Acosta, - kneeling: (L-R) Richard Acosta, Carlos Garcia, Joe Grijalva

LA RAZA

Educacion para la Raza is a program designed to offer monolingual Spanish speaking students a program comparative to that of their English speaking counterparts in the general content areas (math, science, humanities, social Sciences, in Spanish). This will meet their immediate needs and maintain success without losing their acquired skills, self-concept and cultural identity.

(Left to right) kneeling: Mary Lou Villa, Martha Ortiz, Lori de la Cruz, Dora Llamas, Rosario Garcia, Franciso Iglesias, Pedro Martin, - standing: (L-R) Flavio Quintor, Jesús Inigues, Ramiro Muñoz, Renato Watson, Felix Ramos, Tony Martino, Richard Acosta, Adam Cuevas, Carlos Garcia, Antoio Sanchez, Javier Patino

OGAL

These girls are members of the Oakland Girls Athletes League. They participate in city wide sports. As members of these teams they strive hard to make Tech one of the top schools in Oakland as far as athletics go. They participate in such sports as volleyball, basketball, softball, swimming, tennis, and track.

Bottom Row, Left to Right: Gloria Browne, Nancy Yokomizo, Barbara Monroe, Davina Kawaihau, Pam Jordan, Antoinette Stubbs, Pat Wilson, Danita Thompson. Row 2: Adrianna Dorsey, Cheryl Cox, Jessie Cobb, Janice Burrell, Ioma Nobles, Pat Bowie, Vanessa Williams, Joey McGowan, Rosemary Hernandez. Back Row: Kenny Harris, Calvin Choyce, Phillip Sweet, Louise Gray, Dale Johnson. Front Row: Marlin Young, Donna Simmons, Angellro Sessions.

STUDENT CONTROL

These members of the Student Control are the people who try to make our assemblies more pleasant and calm. They keep the way clear for spectators during games and collect tickets for assemblies. They really have a hard job, because some people resent being told to be quiet, but without them there would be no order for our activities.

BOYS' BLOCK T

By participating in one or more varsity sports, the Block T is earned. These young men have all received their Block T in such sports as football, basketball, baseball, swimming, track, and soccer. By earning thirty-six points in rifle matches, the R.O.T.C. Blocks are earned.

Back Row: Dale Johnson, Ronald Johnson, Calvin Choyce, Mark Nelson, Ken Harris, Ocie Washington. Kneeling: Marlin Young, Phillip Sweet, Angello Sessions, Donald Johnson.

GIRLS' BLOCK T

These young ladies have received their Block T by participating in OGAL sports such as swimming, volleyball, tennis, basketball, softball, and track.

Bottom Row, Left to Right: Pam Jordan, Frieda Mondy. Row 2: Pam Walker, Susan Jamerson, Ioma Nobles, Sharon Pearson, Gloria Browne, Leslie Shelton, Nancy Yokomizo, Kathy Jackson.

HONOR SOCIETY

The Honor Society is made up of students who have obtained a "B" average or better. These young men and women have set goals for themselves and are trying to gain knowledge that will guide them through all aspects of life. The ambition shown by these students will someday prove that they are most capable to survive in our society.

Kneeling (L to R): Antoinette Stubbs, Delores Williams, Debra Lloyd, Regina Sykes, Jeremiah Captain. Back Row L to R; Linda White, Monica Winn, Darryl McGlasten, Stephen Finney, Debra Captain, Pam Walker.

Distributive Education refers to vocational education for those who want to obtain information about those occupations followed by workers directly connected to merchandising activities, or activities that involve connections with the businesses and their buyers. These students look into the vocational applications of merchandising through D.E.C.A. organization.

This year's Scribe Staff may have been small, but they worked their hardest in bringing "Scribe News" into the hands of the students and faculty here at Tech. Working on the newspaper required a lot of know-how, time, and above all intelligence, which most students on the staff were willing to give.

Dale coaches Belinda on sports writing while Joy listens in.

EXECUTIVE BOARD

The Executive Board consists of the student body officers and commissioners of various clubs and activities. The board is headed by the A.S.B. President Jorge Torres.

These people create, supervise, and maintain the life of the student body during the school year, and Ms. Carol Evans plays an important role in advising and helping to make each student's stay at Tech a productive and useful one.

Top Row (L to R): Charles Pippins, Marlon Young, Donna Simmons, Donald Johnson, Mike Moss, Pam Walker, Leon Brooks. 2nd Row: (Advisor) Carol Evans, Phillis Dyer, Donna Belvin, Deborah Captain, Robin Long, Jorge Torres, Pat Churchill, Carol Byrd, Annette Taylor, Kim McKoy.

M.E.S.A.

The MESA Club is trying to improve the representation of black, Chicano and Native-American students in the fields of Engineering, Mathematics and the physical sciences. Students in MESA must first be enrolled in Geometry; they are then encouraged to complete Trigonometry, chemistry and physics before graduation.

MESA students have the opportunity to meet professional engineers and to receive special assistance with their mathematics and science courses.

Top Row: (L to R) - Ted Tolson, Anthony Wright, Steven Thompson, Otis Lloyd, Kenneth Harris, Curtis Woodard, Kevin Hinkston, Gregg Watson, Jimmie Cox. 2nd Row (L-R) - Anthony Smith, Paul Keener, Cheryl Cox, Kevin Tucker, Kelly Gattis, Mary Smith (sponsor). 3rd Row (L-R) - Eugene Stelly, D'Bert Harris, Danita Thompson, Andre Shephard, Susan Jamerson, Eric Pratt, Aaron Lodge, Charles Thompson, Emorie Sessions. 4th Row (L-R) - Kevin Love, Louis Cherry, Spergeon Hunt, Gloria Browne, Ronald Ragland, Kevin Smith, Jimmie Strong, Eric Sutton.

CHINESE YOUTH GROUP

The Chinese Youth Group is sponsored by Josephine Lee. The theme of the group is bring closer relations between Chinese youths, American and foreign born. The Chinese Youth Group only started this school term but they are planning such activities as food sales, lucheons, and the celebration of the Chinese New Year.

Juniors Dominate 1974-1975 Homecoming

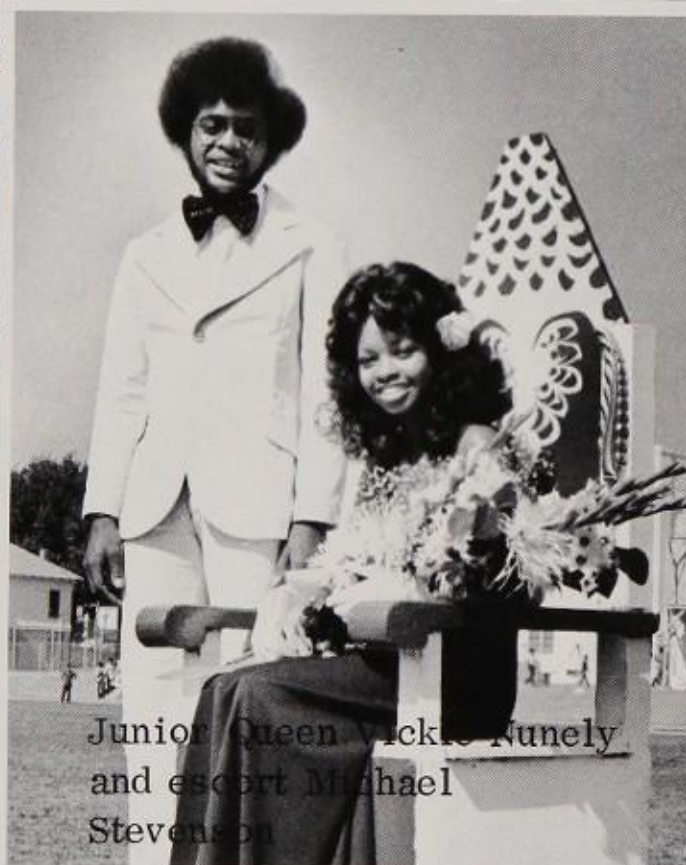

Queen Annette Taylor and
escort Drake Johnson

Homecoming is an annual activity at Oakland Technical High School. At this time of the year the spirit of the students is high. This is the time when everyone wants to know which class is going to win the Homecoming activities. In Homecoming there are activities for each class to compete in. There are class yells and queens and their escorts from each class.

There are the field events: watermelon relay, human relay, 440 relay, watermelon eating race, and etc.

ASSEMBLIES

Assemblies are for entertainment, fun and for students to show their talents. This year's assemblies were DY-NO-MITE: a lot of fun. This year's commissioner of assemblies, Charles Pippins, planned a variety of assemblies. There were Karate, singing groups, Drama skits etc.

On January 24, 1975, the Oakland Public School's 2nd International Ball was held at Goodman Hall. This evening of enchantment began at 9:00 pm and rocked to the music of Mantis until 1:00 am. Each school had a total of seventy-five tickets to sell, and between them there was a superb turnout of students, as well as parents. Thanks to each of the Oakland schools, the ball was a big success.

Oakland Tech's Annual Gospel Concert

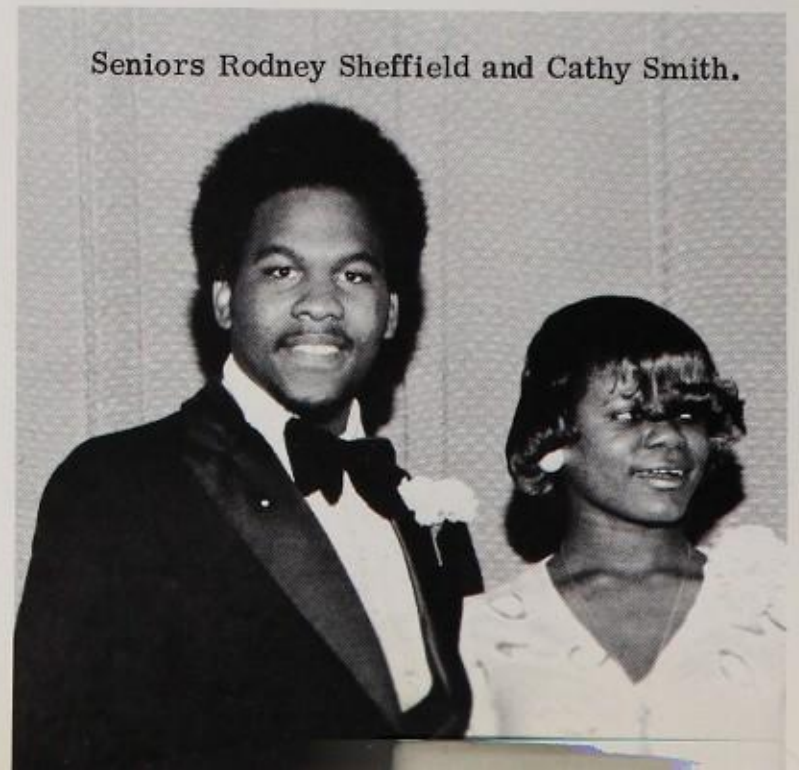

The purpose of any gospel gathering is to bring people together on one accord. Tech's annual gospel concert accomplishes this, despite the publicity afforded other activities. The few people that were in attendance seemed very pleased with the performances given by the various Bay Area gospel groups. The vocal harmonizing and smooth, clear notes were the main signs of the well prepared groups; as song after song the combined voice-quality of the groups increased. For those of you who unfortunately missed this concert, I'm sure you will be in attendance for the next one.

COME TOGETHER RIGHT NOW

OAKLAND TECHNICAL HIGH WELCOMES ROD McKUEN

On December 18, 1974, Rod McKuen was invited to Tech. The talented Mr. McKuen was a former student of Tech, whose education was interrupted when he had to drop out of high school. Like so many former Tech students, Mr. McKuen realized and captiolized on his talents. Writing poetry and singing; his success typifies the determination of Tech students. The highlight of his visit came when Rod McKuen, former Tech student, and famous personality, was presented his deploma by Tech principal William H. Miller.

OAKLAND TECHNICAL PRESENTS THE BIG SHOW

January 17, 1975, Tech put on a performance called, "The Big Show" watch Tech students played records, and sang and danced. They sang songs from the forty's to the future, like, "Ball of confusion," "Heard it through the grapevine," "Sitting on the dock of the bay," "Daddy's home," "Going in circles." They used some small skits like, "Jack and the Cadillac," "Raisin in the sun." They were a big hit. Some of the dances and songs were used in a presentation for the junior high schools.

Seniors Sponsor Faculty VS. KSOL Basketball Game

As an activity to benefit the senior class trip to Disneyland, the seniors sponsored a basketball game between the KSOL "Rec-N-Crew" and some of Tech's faculty.

Even though the faculty lost the game 62 to 48, and the playing was rough, it was all in fun and was for a good cause.

Noon Sales

Each year classes have noon sales for individual classes. The proceeds from the noon sales go for annual activities. The money mostly goes to the Balls. The seniors put theirs in the Senior Ball. The juniors put theirs in the Junior Prom, and the sophomores put theirs into the Sophomore Hop. However the money is used for other activities too.

FRIENDSHIP DIRECTORY

Dear Student

Many times after you graduate you will find yourself wishing you knew how to get in touch with classmates, faculty or friends and can't locate them. We felt it was important to denote two pages of the Talisman for your use.

Good luck and keep in touch.

EMOTIONS ADVERTISEMENTS

Advertisements are a very important part of any publication, no matter what level. Selling ads is a very hard and sometimes frustrating task, but the profits we recieved were very beneficial to us, as they took care of a large part of financial need.

Gregg Watson had the unenviable job of handling all the financial affairs, and is a living witness as to the problems we had involving advertisements.

Not only did ads help us with our publication, but it also helped strengthen our public relations with the surrounding community. It was a matter of give and take.

I would like to sincerely thank all the people who were kind enough to place an ad in our book and hope that in some way we helped you in your endeavors.

1975 School Year Has Its Ups and Downs

As the school year comes to a close, I am looking back over my stay here at Tech, especially my past year. The 1974-75 school year has been many things to many people and has had its ups and downs. To me the year has meant pride, happiness and awareness. I'm proud of being a senior, happy to have been associated with some very nice people and aware of the world around me.

The 1975 Talisman has tried to capture all of the feelings and reactions of the past year. That is the reason we chose "Emotions" as our theme. Emotions is something that everyone has experienced at some point in his life, no matter what size, shape or color. I am very optimistic as to the success of our attempts to mold all the happenings into one great big melting pot of memories. The road was not easy, due to several setbacks, but when problems arose we always seemed to pull together.

To my staff, I would like to say it was a pleasure working with each and every one of you, and I would like to give a special thanks to Gregg Watson and Spergon Hunt who both proved that good friends won't let you down in times of trouble.

To Mr. Miller, Ms. Evans and Mr. Hurst I would like to say thanks for your complete cooperation throughout the year, and to Paulette Owens and Joy Jacobs I would like to say thanks for caring.

In closing I would like to say that most of my memories of Tech are fond ones, and I hope that the 1975 Talisman will help you in some way re-live some of the ups and downs of school life.
